# My World, Your World, Our World, One World

**Tuesday 2nd July 2024**

Theme for the Day: **Zimbabwe**

*1 - Beginning our day with a special Collective Worship - a story of bravery from the bible read by Rev Beth.*

1

With thankfulness, courage and love, we strive to improve heart and mind  
Jesus said, "Everyone who drinks of this water will be thirsty again, but whoever drinks the water I  
give him will never thirst". John 4:13

2 - Rev Sue sharing the King George the VI story. Making something beautiful out of very little.

Inspired by our introduction to and Courageous Advocacy support of the King George VI Centre for Children with Disabilities, Bulawayo, Zimbabwe, the children will take a journey to the country of Zimbabwe and explore some of the human and physical features of this historically and geographically significant South African country. Our attention will be drawn to one of Zimbabwe's sacred rivers the Great Zambezi, ranked the fourth longest river in Africa flowing along the northern border between Zimbabwe and Zambia. This remarkable river serves both animals and humans alike. Its immense power is harnessed to generate electricity for regions in Zambia, Zimbabwe, and South Africa. The Zambezi River is home to the awe-inspiring Victoria Falls, one of the world's natural wonders. The Zambezi River is also well known for its including hippos, crocodiles, elephants, hyenas, lions, and many other species. The children will be making comparisons between the Zambezi and our most significant local river, the River Kennet.
