*This is a story about a boy from Ghana who achieved the unimaginable and spread his powerful message: **disability** does not mean **inability**.*

With thankfulness, courage and love, we strive to improve heart and mind
Jesus said, "Everyone who drinks of this water will be thirsty again, but whoever drinks the water I
give him will never thirst". John 4:13

2 - At Chilton Foliat Primary School we are working towards our goal to create an inclusive learning environment that embraces diversity, a safe place without prejudice, where all our pupils and staff can thrive and grow within a caring, aspirational and outward looking culture. Hand in hand with our parent and wider community, and underpinned by our core Christian Vision and Values, we seek to challenge prejudice and eliminate all forms of discrimination; we are building a culture of equality.

During the day, each class explored a different Equality, Belonging, Inclusion or Diversity theme which will help our children work towards achieving our EBID goals.

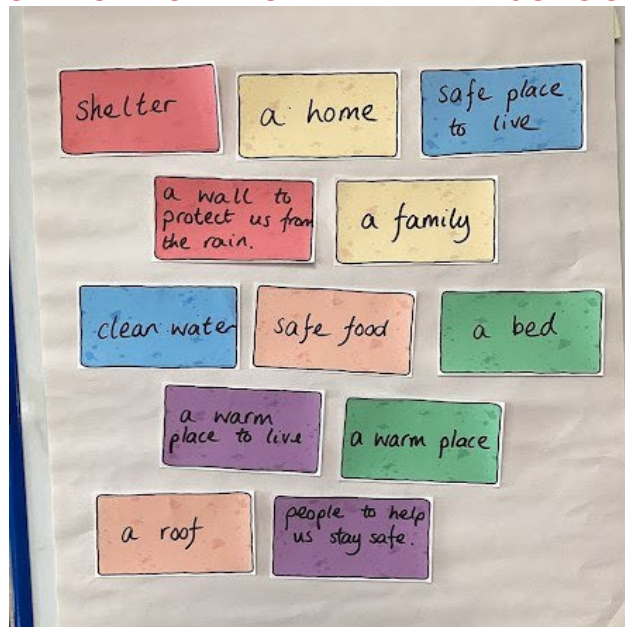

3 - **KS1 – UNICEF and the Convention on the Rights of the Child.** The children have learnt along with Paddington Bear, UNICEF's children's representative to find out more about the rights of every child and how they must be protected.
