Together and Connected

Our School Christian Vision

With thankfulness, courage and love, we strive to improve heart and mind."

- At Chilton Foliat Primary School we honour our educational heritage, supported by a strong Christian ethos. **We strive to provide a diverse education that inspires children to develop a thirst for knowledge.** This is delivered in a safe, supportive and nurturing environment promoting self-discipline, motivation and excellence in learning. We encourage strong partnerships and positive relationships amongst pupils, parents, carers, staff and the wider community.

THANKFULNESS   COURAGE   LOVE

We have had a fantastic week of being Together and Connected

- To finish our presentation for the week, we are also attaching a word document with a link for our Together Song, based on the Wiltshire Together Song for Schools.

- Unfortunately, we didn't have enough time to launch our Water Matters holiday homework and to tell you more about our Early Years Outdoor Area Redevelopment and Rainscape Project. This we will do at the very beginning of the Autumn Term.

- We hope you have enjoyed seeing and hearing the children and some examples of the wonderful work they have produced. We look forward to being back together as one whole school community very soon.

# What does our vision mean to us?

The River Kennet is the symbol we use to make our journey

We are the fish who live in the river, swimming in the same direction, as we continue our journey

The beginnings of our beautiful object…

Fallow Class
What does our vision mean to us?

We are the deer: Roe, Fallow, Muntjac and Sika

who follow the river path and drink from the water

What does our vision mean to us?

We are the birds, who dip and dive

over the river and follow the fish and the deer – all together on our journey

What does our vision mean to us?

The reeds keeping the river bank safe stand for our family and our community who care for us

Building on the way in which we share our gifts and talents for a fulfilled life
