

CHILTON FOLIAT PRIMARY SCHOOL
Chilton Foliat Primary School Themed Week
Together and Connected
Monday 12th to Friday 16th July 2021

Wednesday 14th and Thursday 15th July 2021 – Part 1

Our School Christian Vision

"With thankfulness, courage and love, we strive to improve heart and mind."

- At Chilton Foliat Primary School we honour our educational heritage, supported by a strong Christian ethos. **We strive to provide a diverse education that inspires children to develop a thirst for knowledge.** This is delivered in a safe, supportive and nurturing environment promoting self-discipline, motivation and excellence in learning. We encourage strong partnerships and positive relationships amongst pupils, parents, carers, staff and the wider community.

Water Matters

When we are hearing in the news about flash floods and as a result, damage caused and lives lost, our visit from Action from the River Kennet (ARK) was very welcome.

The children took part in an interactive demonstration where run off, soaking up and collecting water were discussed, measured and analysed.

The main message: the less water that goes into our mains drainage system, with the potential to over load it, the better.

Well Dressing

Linked to our vision and values, each class took part in their own well dressing activity. The sessions began with an explanation about wells; their purpose, how they are built, how important they are in providing supplies of fresh water to communities who do not have access to a mains supply.

The children then drew and evaluated their own well dressing design.

As a whole class, they came together to decide upon the elements that would be included in their well dressing. Remembering the importance of **water**, our **thirst for knowledge** and our values, **thankfulness**, **courage** and **love**.
